

- **B140 Transformer Construction Notice 9 March 2020 – 10 Oct 2020**

The following is provided as a courtesy notice for project UHHZ1066456, Replace Transformer and Bus duct for Bldg. 140. Construction will take place from 9 March 2020 thru 10 October 2020. Project will replace a transformer and bus duct supporting Bldg. 140. The existing transformer and bus duct are no longer reliable and require immediate replacement. Project will not impact any regular or handicap parking. The sidewalk between the transformer and facility will be closed for the duration of the project. An alternate pedestrian route will be established which will require a partial lane closure on the north side of Robins Parkway. In case of inclement weather or unforeseen conditions, work could be delayed.

Your cooperation will be appreciated. If you have any questions, the point of contact is John W. Gunn Jr. 478 955-0346 or Lorrie Simmons, 478-327-3977.

- **Mill/Overlay Roads Base wide Construction Notice 11 May 2020 – 26 June 2020**

The following is provided as a courtesy notice for project UHHZ170423, Mill/Overlay Roads Base wide. This project will involve milling and reclamation of the existing asphalt pavement with a new asphalt topping for the following locations:

1. Beale Dr. from Bldg. 22 to East Dr. (as indicated in the first two attachments)
2. Perry St. from MLK Blvd to Watson Blvd Annex (as indicated in the third attachment)
3. Peacekeeper Way from Byron St. to Perry St. (as indicated in the fourth attachment)

Construction will take place from 11 May 2020 thru 26 June 2020. The work will be accomplished in phases designed to provide the least amount of impact to Robins AFB employees.
